- Increase Productivity
- Manage Your Business from Anywhere
- Train When it Fits Your Business Schedule
- Secure, Complete and Scalable Solution
- Lower Cost of Ownership

\*Contact your Petrosoft representative for more details.

"I teamed up with Petrosoft because of their unique understanding of the PA Beer Distributor's business needs, specifically in the areas of automating PA LCB reports, wholesale invoicing and inventory control. With the time savings, I can spend more time on growing my business."

EMMETT WILSON,  
GOLDEN TRIANGLE DISTRIBUTORS INC

C-Store Office helps reduce LCB malt beverage report preparation time.

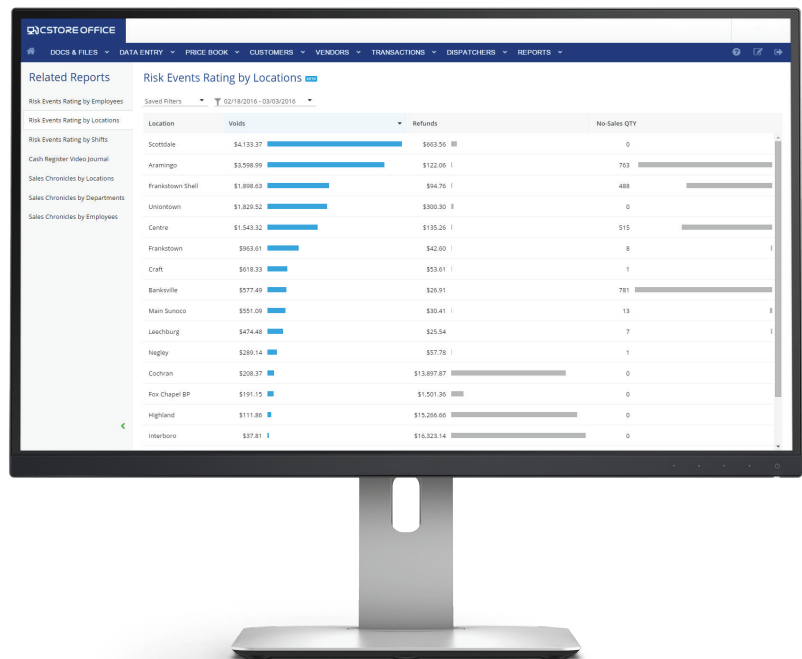

## SMARTPOS

SmartPOS is Petrosmart's line of fast, reliable and user-friendly point-of-sale (POS) systems designed to make transactions and operations efficient. It was designed to increase both the cashier and manager's efficiency with enforced compliance, auto complete features, on-terminal training, and video journaling. As the demands of your business grow, SmartPOS is designed to scale, accommodating back-office, accounting, loyalty and kiosk integration. Contact your Petrosmart representative for more information.

## C-STORE OFFICE

C-Store Office is the trusted cloud-based back-office software solution for single and multi-store operators. It provides a virtual workspace for recording, processing, tracking and forecasting inventory and sales. It provides the infrastructure, workflow and reporting needed to maximize margins and turns while also integrating with popular accounting packages. C-Store Office can save LCB reporting, reconciliation and travel time while also decreasing IT costs. Stay connected to your business from any internet-connected device with C-Store Office and CSO Mobile.
